PRESIDENT: Senator George.

SENATOR GEORGE: Mr. President, I had a question of Senator Dworak. Since he didn't vote for his own bill could he advise me possibly what to do with it?

PRESIDENT: Can you respond to a question?

SENATOR DWORAK: Yes. I had an intense discussion back here with Senator Maresh on the previous bill. I didn't get my button pushed.

PRESIDENT: Senator Murphy.

SENATOR MURPHY: I should ask if that was carried on in Bohemian but I'm not going to. I do have a serious question of Senator Dworak if I may.

SENATOR DWORAK: Yes Senator Murphy.

SENATOR MURPHY: In this proposition of cabin trailers, they are licensed as well as taxed, right? A portion of the license fee is also a personal tax?

SENATOR DWORAK: Cabin trailers are licensed when they're on the road or when they're moved.

SENATOR MURPHY: A portion of that license is personal tax, isn't it?

SENATOR DWORAK: Yes.

SENATOR MURPHY: Yet they also carry an additional personal tax that is not....

SENATOR DWORAK: What we're concerned about are those trailers that are on a ... that are not on the road where there are no licenses required because they're not on the road and they're taxed as personal property.

SENATOR MURPHY: Are they being used as living facilities, or not necessarily?

SENATOR DWORAK: Yes, but ... well not necessarily, but in many cases they are used as living facilities.

SENATOR MURPHY: Question in my mind, can we assess a penalty on a particular personal property tax or would that penalty have to apply to all personal property tax?

SENATOR DWORAK: There are penalties now on other forms of personal property tax, but not on this specific ... not in this specific area.

SENATOR MURPHY: Fine, thank you.

(Senator Simpson presiding)

SENATOR SIMPSON: Senator Stull.
